TAILORED TO SUIT

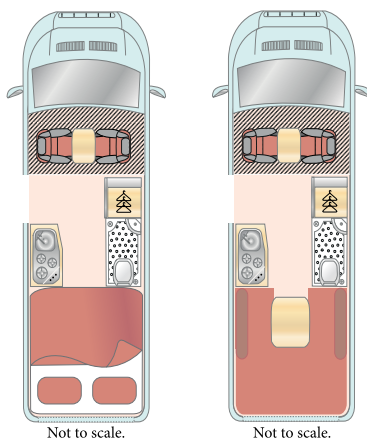

Horizon is a specialist manufacturer of 'built-in' motorhomes, ie. constructed within the original vehicle shell. This style - in conjunction with our unique focus on an open style balanced with functionality - delivers a practical, fuel efficient and seamless touring recreational vehicle. Multiple vehicle options are available including 4 wheel drive as well as great towing capability - up to 2.5 tonne are standard.

Conversions include insulation, the use of construction grade high-pressure laminated lightweight ply, drawers used for storage wherever possible with quality ball-bearing runners, cabin chairs which rotate and a wind-out awning. The overhead cupboards are deep to optimise storage, while the floor covering used is a heavy duty vinyl to maximise life-span.

While each layout can be tailored slightly to suit differing needs, all benefit from some standard inclusions:

- Twin 4 kg gas cylinders with changeover valve
- 200 amp hour deep cycle AGM house battery
- 3 stage 40 amp battery charger
- Power points (12v and 240v) both inside and out
- Comprehensive fuse control / switch panel
- LED lighting internal and external
- 19" LCD digital high definition TV/DVD player
- Safety equipment: smoke detector and fire extinguisher
- Electric slide-out step
- Mains water connection and drinking water filter system
- Wind-out awning
- Water storage tanks for fresh, grey and black water
- Bathroom with shower, basin and vacuum flush toilet
- 12v/240v 110ltr fridge
- Microwave, 3 burner stainless steel stove and sink

THE MELALEUCA

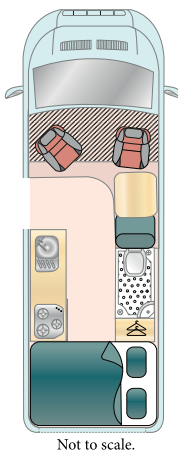

- Highly flexible sleeping layouts to suit singles, couples or friends
- Choice of mattress types to suit permanently made up double or single bed or combined bed/seating
- A total length of under 6 metres means this motorhome legally fits within a standard car parking space

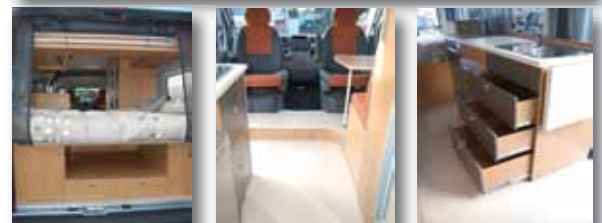

From \$99,500

THE BANKSIA

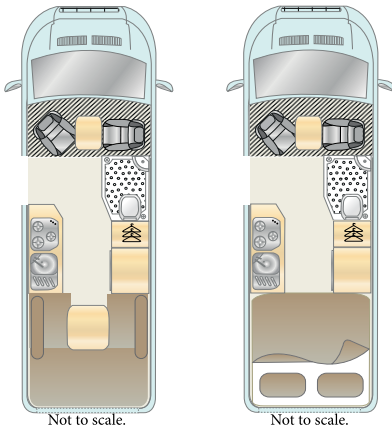

- Permanently set-up double bed - tailorable to be high or low set
- Separate dining area with convenient 12v and 240v power
- Kitchen with separate sink and stove. Lots of drawers
- Substantial storage under-bed for keeping sporting or other equipment
- Floor drawers under dinette add valuable storage space

From \$105,500

THE WATTLE

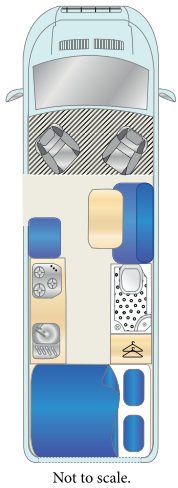

- Flexible sleeping layouts from single to full sized king bed
- Large bathroom
- Fridge raised off floor
- Flexible table arrangement to suit entertainment or food preparation
- Flexible use of cabin seating with convenient table between areas
- Large wardrobe and storage areas
- 'Walk-through' option and seating for 4 people

From \$107,000

THE ACACIA

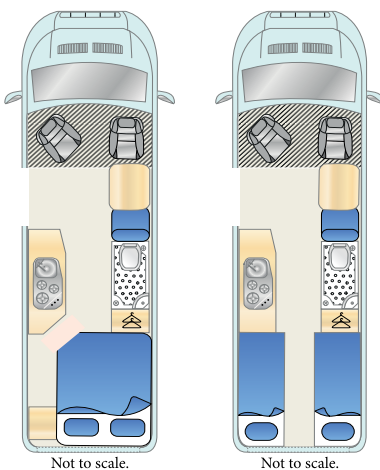

- Permanently set up double bed across vehicle rear
- Front dining area with bench style seating with views directly out of the motorhome
- Invite neighbours to enjoy the 5 person capacity internal entertaining area
- Huge underbed storage - with easy rear or front access
- Large wardrobe and storage areas
- Flexible vehicle options

From \$109,000

THE GREVILLEA

- Horizon's largest motorhome; for maximum space
- Permanently set up singles or double bed with easy access
- Dedicated dining area including swivel cabin chairs 180 degrees
- Hinged double bed for easy access to huge underbed storage areas
- Impressive kitchen workbench area with 6 large drawers and underneath storage

From \$117,000
